

October 17, 2018

Dear Friends & Neighbors,

Nearly 10 years ago, I was pulled over for driving under the influence. I am as embarrassed about it today as I was when it happened. However, I hope that it is not something that prevents me from serving our community.

I have not had a drink in nearly 10 years, been proud to serve our region in local government, and I'm a wife and mother who loves her family and cares about our community.

While I made a mistake earlier in my life, I continue to hope that I can use the experience to affect good and will continue to try do so.

I will always keep an open policy and have made myself available to answer any questions residents may have. You can contact me any time on my cell: (858) 633-6482, or by email: [bustaforcouncil@gmail.com](mailto:bustaforcouncil@gmail.com).

Sincerely,

Corrine Busta
